Mumbai, India

Valve World Expo India 2024

Valve World Expo India - 2024

Valve World Expo India is an exhibition and convention for industrial valves and valve accessories. Professionals from the fields of oil and gas industry, chemical industry, power engineering, mechanical engineering, shipbuilding, engine and vehicle manufacturing and the food industry exploit the rapid developments of the valve technology that are fully represented at Valve World Expo India.

Since 2010, the **Valve World Expo** has been held at the Düsseldorf Exhibition Centre as the world's largest trade fair for industrial valves which traditionally hosts 700 exhibitors from 40 countries.

The Valve World Expo attracts exhibitors from the oil, gas, petrochemical, and chemical industries; marine and offshore industries, water and waste-water technology, automotive and mechanical industries, and more.

Alongside the expo, conference takes place where top industry experts speak about the different aspects of global valve industry.

After the launch in China, USA, Singapore, the India chapter of Valve World Expo is being launched and will take place in Mumbai on **19 – 20 September 2024**.

Exhibitor Target Groups:

- Valves
- Valve Components & Accessories
- Actuators & Positioners
- Gaskets and Sealings
- Castings and Foundries
- Engineering & Software
- Valve Testing and diagnostics

Visitor target groups:

Key Personnel from industries of:

- Power generation
- Chemical
- Fertilizers
- Petrochemical
- Oil & Gas
- Water
- Pulp & Paper
- Mining

Manufacturers, suppliers, and users of valves and actuators
